**To:** Agee, Charlie; Crabill, Jean B.; Farlow, Kimberlie J.  
**Subject:** revised LST model comm plan

At our meeting in Richmond, I agreed to take a crack at revising the plan again...just a few changes, such as dates added. Please take a look and let me know if you have additional corrections/additions. Please feel free to forward this draft to your colleagues, if appropriate. (I know Bennie is out of the office)  
Thanks
