Help,

To whom it may concern,  
My name is Ronnie Jones, My  
Social Sec. PERSONAL/CONFIDENTIAL MATERIAL REDACTED  
my birthday is 9-13-51 I am a smoker  
and I am in jail where ninety per  
cent of the inmates use tobacco  
products, we also have friends,  
neighbors and relatives in other jails  
all over the country that's thousands  
of tobacco customers. Recently we  
have been cut off from all tobacco  
products cold turkey. Some of us  
smoke from one to four packs per  
day and some chew all day and half  
the night. We pay for our own  
tobacco products and clean up after  
ourselves, we don't understand why  
we can't get our privileges back.  
We need your help or referral of  
help to get things back to normal.  
It's really hard having to quit cold  
turkey with nothing to replace that  
chemical dependency. Please help us,
