Are you creative? Do you like to help others? If you answered "yes" to any of these questions, then we need you!

Inside this packet is an exciting opportunity to be a part of history and help young people across the country choose not to smoke. National 4-H Council in partnership with Philip Morris U.S.A. is seeking 12 outstanding young leaders (ages 10 to 19) to be a part of the National Youth Smoking Prevention Program Design Team.

The National Design Team will meet to discuss and design ways to help young people across the United States choose not to smoke. The team will be made up of young people and adults representing 4-H/Extension, education, government, health, nonprofit and industry perspectives. We need creative and energetic people like yourself to be a part of this historic and very important initiative. Applications must be received by 5:00 pm on Monday, January 11, 1999 for full consideration by the selection panel. If you have any questions or concerns, please do not hesitate to contact me at [cada@fourhcouncil.edu](mailto:cada@fourhcouncil.edu) or (301)347-3801.

We believe strongly that a plan of action must be created to stop the rising rate of youth smoking. With your help we can get it done! Fill out an application and send it in today! Thank you and I look forward to receiving your application soon.
