Subject: Request from Human Resources

Received a request from Ken Pierce, HR. An employee who has been fired from PMUSA - Cabarrus has filed a complaint against the company. Her dismissal was related to a disability. Representatives from the OFCCP (federal government agency) are in the facility today investigating this complaint. Ken requested a listing of all contributions (local and board allocated) for 1999 and 2000 that were given to organizations relating to disabilities and veterans. I can provide that information with your approval. Total 1999 and 2000 contributions directly relating to disabilities and veterans total \$76,850 (which includes Autism Run sponsorship, Cabarrus Meals on Wheels, L.I.F.E. Center, The Checkered Ball (Brain Injury), and Carolinas' Citizens Freedom Foundation - to name a few).

They would like copies of these requests. Let me know if you approve and I will forward copies to Ken Pierce today. Thanks.
