Winston Company

I sent away the other day
for some things and I stated that
in my move from St. Louis I had lost
my "Winston Winners" card but thank
goodness I now found it my # is 908-947-311

Now back to my real reason
for writing to you is: I thought you
would like to know that for the
1st time in all my years of smoking
illuminated cigarettes (you) I have never
had a problem. But for the past 3 or 4
mths. I have been having a problem
with the paper breaking away from
the filters. It has happened to a
number of packs now.

My old address was 8330 Gado

Unita Park Mo

63114
